

For Financial Assistance, please contact our Business Office. If you are in need of assistance for your recent hospital care we may be able to help. Please contact the Business office for an appointment and bring the following items, along with the completed Charity Care Form (available in the Business Office or on our web site), with you to your appointment:

- A copy of your most recent Federal tax form(s) with all schedules, including W-2s
- A copy of your most recent three (3) paycheck stubs
- A copy of your most recent three (3) bank statements for each account
- A list of your outstanding medical debts and monthly pharmacy costs
- The name and telephone number for your Medicaid caseworker or denial letter, if applicable.
- Other information may be requested during your appointment
